

## Noise notice – Ferny Grove to Bowen Hills

To improve the safety and reliability of our service, and as part of an ongoing maintenance program, Queensland Rail will carry out track maintenance between Ferny Grove and Bowen Hills stations.

From 10pm to 4am each night on:

- Tuesday 4 April
- Wednesday 5 April.

Ferny Grove to Grovely stations.

Rail replacement, including welding works.

From 2am Saturday 8 to 4am Monday 10 April (continuous work).

Ferny Grove to Bowen Hills stations.

Works include:

- Track reconditioning – Glenholm Street level crossing, Mitchelton and Lutwyche Road, Windsor
- Track maintenance
- Unloading the ballast train, and removal and replacement of ballast – Wilston station
- Points removal – Alderley to Newmarket stations
- Station Accessibility Upgrade – Newmarket and Alderley stations.

This work involves cutting, moving and welding rail, and the use of loud, heavy machinery, including on-track vehicles, trucks and loaders with horns, bright flashing lights and reversing beepers.

Noise from these activities and movement of on-track machinery, as well as lighting in work zones, cause temporary inconvenience. Queensland Rail will make every effort to carry out these works with respect for our valued neighbours and we apologise for any inconvenience.

Please note various track maintenance activities may be performed across the corridor during the closure and the work outlined above may be subject to change due to operational and weather conditions.
