

# Night works noise notice

## Windsor to Ferny Grove

To improve the safety and reliability of our service, Queensland Rail will carry out track resurfacing works between Windsor and Ferny Grove stations.

### From 11pm to 5am each night on:

- Monday 12 February
- Tuesday 13 February
- Wednesday 14 February.

### Locations:

- Burdon Street to Keperra Street, Keperra
- Enoggera station to Kennedy Street, Windsor.

This work involves the use of loud, heavy machinery, including on-track vehicles and trucks with horns, bright flashing lights and reversing beepers.

Our machines will move progressively along the train line and works will not be continuous in any one location for more than two consecutive nights.

Every effort will be made to carry out these works with respect for our valued neighbours and we apologise for any inconvenience.

Work may be subject to change due to operational and weather conditions.

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at: [queenslandrail.com.au/EmailNotification](https://queenslandrail.com.au/EmailNotification) or contact us if you prefer to receive paper copies.
